

Shoulda Been A North Pole Elf

1. Lately I've been spending time, thinkin' about myself

And I have slowly come to realize, that I shoulda been a North Pole elf

Baking cookies, trimming trees, and all the other Christmas stuff

Like hanging mistletoe and candy canes, oh I just can't get enough

2. That is why I'm hopin', soon a job will open

to work with Santa Claus himself

There's no way to deny it, really wanna try it.

I shoulda been a North Pole elf

3. With a hammer and a nail, I'm something of a whiz

And when it comes to wrapping packages

I'm the very best that there is

I'd be good at making toys, and stringing Christmas lights

And please forgive me if I start to brag

but I'd probably look good in tights

4. That is why I'm hopin', soon a job will open

to work with Santa Claus himself

There's no way to deny it, really wanna try it.

I shoulda been a North Pole elf (Dance Break??)

5. Lately I've been spending time, thinkin' about myself

And I have slowly come to realize

I shoulda been a North Pole elf

I shoulda been a North Pole elf

Light

1. One, two, three, four, five

Six, seven, eight- nights celebrate our light

Li, li, li, li, light

2. Candles burning bright

Golden and blue- shining through darkest night

Ni, ni, ni, ni, night

3. Let the light shine (let the light shine)

In the window (In the window)

When you think it's almost gone

There is still hope (there is still hope) Li, li, li, li, light

4. When we light the flame

And watch it rise, we're reminded again

5. Let the light shine (let the light shine)

In the window (In the window)

When you think it's almost gone

There is still hope (there is still hope) Li, li, li, li, light Li,li,li,li,light

6. Let the light shine (let the light shine)

In the window (In the window)

When you think it's almost gone

There is still hope (there is still hope)

There is still hope (there is still hope)

There is still hope (there is still hope)

Sleigh Ride

1. Just hear those sleigh bells jingleing, ring-ting tingleing too

Come on, it's lovely weather for a sleigh ride together with you

2. Outside the snow is falling and friends are calling "Yoo hoo"

Come on, it's lovely weather for a sleigh ride together with you

3. Giddy-yap, giddy-yap, giddy yap, let's go, let's look at the show

We're riding in a wonderland of snow

Giddy-yap, giddy-yap, giddy yap, it's grand, just holding your hand

We're gliding along with a song of a wintery fairy land

4. Our cheeks are nice and rosy and comfy cozy are we

We're snuggled up together like two birds of a feather would be

5. Let's take that road before us and sing a chorus or two

Come on, it's lovely weather for a sleigh ride together with you

Santa Claus is Comin' to Town

1. You better watch out, you better not cry

You better not pout, I'm tellin' you why

Santa Claus is comin' to town, Santa Claus is comin' to town,

Santa Claus is comin' to town

2. He's makin' a list and checkin' it twice

He's gonna find out who's naughty and nice

Santa Claus is comin' to town, Santa Claus is comin' to town,

Santa Claus is comin' to town

3. He sees you when you're sleeping, he knows when you're awake

He knows if you've been bad or good, so you better be good for goodness sake

4. Oh, you better watch out, you better not cry

You better not pout, I'm tellin' you why

Santa Claus is comin' to town, Santa Claus is comin' to town,

Santa Claus is comin' to town
