

Wednesday (5/2/18)

Ms Michener

Academic Chemistry

Periods 2, 4, and 8

Balance equations: (see Glencoe Science text p12.3, p364-369)

HW Vocab:

atmosphere

barometer

boiling point

condensation

Dalton's law

diffusion

evaporation

freezing point

Graham's law

hydrogen bond

kinetic (molecular) theory

melting point

pascal

sublimation

temperature

vapor pressure

viscosity
