SET I

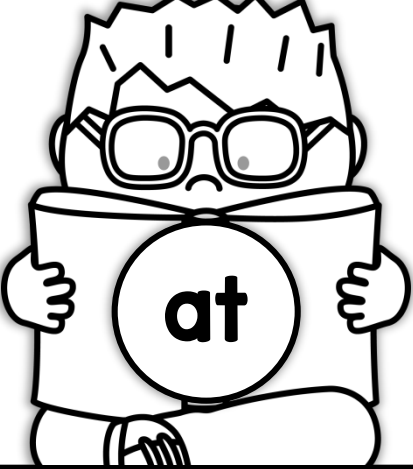

Hands-On Fluency Set I: Read, Read, Read

Thanks so much for downloading my Hands-On Fluency Set I: Read, Read, Read. This packet is designed to offer a fun and engaging way to practice reading fluency skills. You will be able to use these centers as a supplement to your whole-group lesson and/or as an independent literacy center option. The centers can also be used in a small-group format. To prep the Read, Read, Read centers, simply print the included sheets of choice. To play the center you will offer the students the sheet and a crayon or writing tool. The students will read through the words on the sheet, circle or highlight the word family and then choose one of the words to use in a sentence. You can choose to laminate the sheets for a more reusable and durable use. There are 40 sheets included within this packet. The following word families are covered: at, an, ag, ap, ad, ig, in, ip, it, ob, og, op, ot, ed, en, et, ub, ug, un, ut, ail, ale, all, ane, ash, ave, ay, eed, ey, ice, ide, ight, ile, ine, ink, ipe, ought, ow, sion, tion.

If you have any additional questions as always, feel free to email me at littlemindsatworkllc@gmail.com, follow me on [Facebook](#), or visit my blog, [Little Minds at Work](#).
